

Item Description

A rare and complete run of 71 consecutive issues of the iconic Star Wars Weekly comic published by Marvel UK, covering issues 30–100.

What's Included

- Comic book adaptations of the original Star Wars trilogy
- Expanded Universe (EU) stories expanding the Star Wars universe
- Exclusive Marvel content that was never released outside the UK
- Unique vintage artwork and storytelling from the Marvel UK archives

Condition

- Most comics are in good to very good condition
- Signs of age such as light yellowing, soft corner creases, minor scuffs
- One or two issues may have more visible wear or light surface marks
- All issues are complete – no missing pages
- Stored in a dry, smoke-free environment
- Additional photos available upon request

Why this collection?

- Star Wars Weekly is a unique piece of Marvel and Star Wars publishing history
- Issues #30–100 cover key story arcs from the golden era of 1978–1980
- Ideal for collectors, retro sci-fi fans, or as a nostalgic gift

Shipping & Collection

- Secure packaging with strong cardboard and protective wrapping
- Shipped via Royal Mail Tracked 48 or courier service
- Collection available in London by appointment

Terms of Sale & Additional Information – E-Waste Workshop

Returns Policy:

We accept returns within 30 days of delivery.

Return shipping is the buyer's responsibility unless the item is faulty or not as described.

Please contact us before returning anything – we're committed to finding a fair and fast solution.

If repair or replacement isn't possible, we offer a full refund.

90-Day Service Warranty:

All items are covered by a 90-day service warranty provided directly by E-Waste Workshop.

If a fault develops that isn't caused by misuse or physical damage, we offer:

- Free repair
- Replacement with a similar item (if available)
- Full refund if repair/replacement isn't possible

Shipping:

Orders are dispatched within 1–2 business days after payment is received.

We package all items securely using recycled or upcycled materials – minimizing environmental impact.

UK shipping by default – international delivery available upon request.

Additional Information:

- All equipment is sourced through recovery, tested, and when needed, refurbished or cleaned before sale.
- Listings reflect real condition and functionality, based on hands-on diagnostics.
- We're transparent – no surprises.
- Photos show the actual item you'll receive, unless stated otherwise.

Our Promise:

At E-Waste Workshop, we believe in giving technology a second life.

By purchasing from us, you're supporting a circular economy, reducing e-waste, and empowering smarter consumption. We do this for the planet – and for people who believe tech should be reused, not discarded.
